EDUC 50502 Assessment and Evaluation II

This course includes assessment tools that also train teachers to observe, listen, and record a range of literacy behaviors rather than simply focusing on the test results.

Textbook: Program Evaluation
ISBN#: 0-8013-0774-0

EDUC 50503 Instruction Design and Classroom Techniques

This course provides practical strategies--solidly grounded in research and theory--for creating classroom environments in which students feel invited to think productively and empowered to take more control of their own education and their lives.

Textbook: Instructional Design, 2nd edition
ISBN#: 0-47-136570-X

EDUC 50505 Teaching Ethics II

This course examines the ways in which moral considerations permeate the everyday life of classrooms. It calls attention to the effects and complexities of teacher behavior and classroom life, and shows how both affect student moral and intellectual development.

Textbook: Professionalism and Ethics in Teaching
ISBN#: 0-41518-460-6

EDUC 50511 Vocational Education Administration

The fundamental facts and procedures of school administration are emphasized. Theory and practice are fused in teaching the duties and responsibilities of administrative officials in the organization, administration, and supervision of a modern school system.

Textbook: Foundations of Vocational Education, 2nd edition
ISBN#: 0-675-08442-3

EDUC 50521 Public Education Administration

The fundamental facts and procedures of school administration are emphasized. Theory and practice are fused in teaching the duties and responsibilities of administrative officials in the organization, administration, and supervision of a modern school system.

Textbook: Case Studies in Educational Administration
ISBN#: 0-673-99003-6

EDUC 50578 School Law

This course, written in clear, accessible language specifically for non-lawyers, helps teachers to become "legally literate" on a wide range of constitutional, statutory, and case law that affects them directly.

Textbook: School Law for Counselors, Psychologists and Social Workers, 2nd edition
ISBN#: 0-8013-1522-0

MS 600 Master's Thesis

Master's Thesis.
